**Subject:** Park meeting minutes

Minutes from  
Polkton Township Parks Committee Meeting  
6/17/2021

- May minutes were approved.
- Those Present: Jim Key, Jerry Grimminck.
- Absent Mikayla Smith, LaVern Andrews, Jay Meerman, Jon Vogel.
- Plans to walk the park to see its condition was canceled due to Jerry was using a walker.
- One day last week Jim cleaned all the tables in the pavilion of staples, stains, and droppings. Thank you Jim, they looked great.
- Jim did two inspections after pavilion reservations. One was clean the other was littered with streamers from party poppers. This brings up the questions of who cleans up any messes and if there should be any compensation for those who do. There should be some discussion on this topic. Even with just normal use of the pavilion and picnic tables some cleanup maintenance is needed.
- South Evergreen Schoolhouse septic system is scheduled for the last half of July. A raised Pressure system is needed. Clean up in the south part of the property is being done by Sue Meindertsma, moving brush piles and some cement and a large down tree.
- Next issue with South Evergreen is water. A new deep well will be needed.
- No word on any grant application news for the 40 acre woods.
- Phils mowing has been doing a good job keeping the grounds cut and looking nice, but trail overhanging brush will need to be trimmed in the next few weeks. We have a nice gas trimmer that can be put to use.
