

South Evergreen Schoolhouse Committee Meeting
11/01/21 7:00 PM
Township Offices

1. Present: J. Key, J Meerman, Jan Kimble, Jim Fitzpatrick. Leah Spinner
2. Absent: Kathy Walt

3. School septic system Mark Kuperus has talked with the Ottawa County Health Dept supervisor and he suggested that maybe we go with just a couple septic tanks and no drain field. This would save up front cost of about \$7000 and we would have to pump it out as needed, maybe once a year. We are still working now to change the permit. The plumbers and pipe fitters union training center will be doing the plumbing in the schoolhouse when the septic system is in.

4. The Schoolhouse brochure were discussed, some changes were made. Brochure to be use for the annual fundraiser send out.

5. Windows repair and painting were done by Grian Gall . He quoted us \$500 and that is the amount that the Quester agreed to pay for the window work. Their donation was sent into GHACF.

6. Outhouse roof is half done, Jim and Jim will finish as time permits.

7. Veterans Park fund raiser was a success, the fund raiser was put on by the One Room Schoolhouse committee from Nunica, the amount we will get will be determined after all expenses has been received.

8. Adjourned: 8:15

9. Next Meeting: 12/06/2021
